

Done-For-You Affiliate System

"Let Me Build You A Business That Pays You \$1,000+ Commissions... Even If You've Only Got 15 Minutes A Day."

Hey there my friend! Josh Smith here...
Let's cut to the chase.

- You're busy.
- You've got real responsibilities.
- And you're tired of spinning your wheels with every "next big thing" online.

What if I told you I could hand you a *fully built* affiliate business...
That's designed to make \$1,000+ commissions on complete autopilot:

Without creating your own product
Without running ads
Without DMing strangers
Without being glued to your phone all day?

I'm only doing this for **3 people**.
Here's the deal 👉

I want to build your fully automated affiliate marketing business that pays out \$1000+ commissions completely on autopilot

What You'll Get (DONE For You)

- ✓ A High-Converting Funnel — built and optimized by me
- ✓ Your Domain — purchased, wired, connected and ready to go
- ✓ A Full Email Sequence — written by a 7-figure marketer (me) to convert cold traffic into commissions
- ✓ A Custom Content Plan — with scripts, video ideas, and a plug-and-play strategy tailored to YOU
- ✓ **Access to My 7-Figure Content Mentor Bot** — it's like having a mini version of me in your pocket 24/7/365 writing content *for* you
- ✓ Lifetime Access — to my Winning Edge Biz Accelerator membership + community

This isn't DIY.
This is DFY. Done. For. You.

🤖 Why This Works (When Nothing Else Has)

Most people fail online because they try to reinvent the wheel.
They waste months building, tweaking, second-guessing, and eventually quitting.

I'm removing ALL of that.

You'll plug into the **same system** that's helped me and my students generate thousands in commissions — without any of the tech headaches, burnout, or “how do I start” overwhelm.

You'll have everything:
The offer. The funnel. The emails. The content.
Built for you. Backed by community. Boosted by AI.

Then there's Darren who struggled with shiny objects and jumping from opportunity to opportunity and FINALLY GOT THE CLARITY HE WAS SEARCHING FOR (and his first commission)

And can't forget about Jennifer who got her first TWO commissions this weekend and "Owes it all to the business plan, training, & the community we have built"...

First Commissions

I can't tell you all how excited I am! 😊 I got my first 2 commission sales over the weekend. 😊 I had a rough week last week with, well, life, as you all know it gets that way. And really didn't do much on my business. I let things and other people's needs and wants get in the way of the online business I am trying to create. So, to wake up on two separate days to Skool informing me of sales was beyond thrilling. 😊 Just what I needed to light the fire, get things going this week, prove to myself that I can do this, and just keep going. I owe it all to Josh, his business plan, the Q&As, the mini masterminds, and all the time and training he has provided me. And thanks to this community, it is such an amazing place to be a part of! 🙌

I could go on and on about the first commissions like Austin who woke up to commission notifications first thing in the morning after sleeping like a baby... Or David who is quickly becoming one of our TOP affiliates and making DAILY sales with the program:

COMMISSIONS

The emails that come from stan always feel good. They're a good reminder that this DOES work. This one came in this morning at 430 while I was doing my morning routine. Keep going everyone, you got this! This came from implementing the strategies taught in this Online Income Masterclass. 🔥

The screenshot shows a notification from 'Stan' with the text: 'Congratulations! earned affiliate commission! #Passi'.
