Dear Potential Sponsor,

On Saturday, December 13th, the Texas Music Educators Association Region 2 Orchestra Division is hosting our annual All-Region Orchestra Clinic & Concert. This is a performance featuring four orchestras of over 300 middle and high school student musicians from Lewisville ISD, Denton ISD, and Northwest ISD. Students performing in this prestigious event participated in a competitive selection process, and are some of the most talented and hard working students in North Texas.

To make this event successful, we are looking to fundraise \$2,000 through a sponsorship campaign. Reaching this goal will help us support students by bringing world-class teachers/conductors to lead the orchestras in their rehearsals and concert, and provide students with an inspirational performance experience.

Would you consider becoming a sponsor of this event? In appreciation of your support, we are offering digital program advertising space, which can include an image/logo and clickable link to your website and/or social media.
