A screenshot of the Kuder Navigator home page. On the left is a dark blue sidebar with a 'Home' button and a list of navigation options: 'Take Assessments', 'Explore Occupations', 'Explore Majors', 'Plan for Education', 'Plan for Work', 'Find a Job', 'Education Plan', and 'Work Based Learning'. The main content area has a white background. At the top, it says 'HOME' and 'WELCOME, CENTRAL TEST' with '10TH GRADE' on the right. Below this is a section titled 'ASSESSMENTS' with three cards. Card 1 is '1 Discover Your Interests' with the question 'What do you like to do? Your highest interest areas will be matched to careers you may enjoy.' Card 2 is '2 Rate Your Skills Confidence' with the question 'What do you believe you're good at doing? Explore careers that need your unique skillsets.' Card 3 is '3 Learn Your Work Values' with the question 'Do you know what you value most in the workplace? Rate how important work-related values are to you.' Each card has a 'Start Assessment' button. Below the assessments is a 'QUICK LINKS' section with four buttons: 'View Assessment Results', 'Explore Occupations', 'Build Your Education Plan', and 'Update Your Grad Plan', each with a right-pointing arrow.
