Note: We work to ensure that the ingredient information in this table is accurate. Allergy data detailed in the table has been derived from specifications obtained from the suppliers of the products.
Items which have an “X” include ingredients with the allergen intentionally present.
Whilst we have taken all reasonable steps to ensure that this table is accurate, we cannot guarantee that the product is 100% free from the unintentional presence of allergens arising because of cross-contamination.

MC = This item may contain the allergens labelled
