Website Accessibility Statement

(Cullman City Schools' official websites are under the domain www.cullmancats.net. While Cullman City Schools cannot control the accessibility of linked third party websites, we will continue to work to make all local content on our sites accessible to all visitors.)

Our school system is committed to ensuring digital accessibility for all users of our websites. We are continually improving the user experience and applying current and relevant accessibility standards.

Measures to Support Accessibility

Cullman City Schools takes the following measures to improve the accessibility of our sites:

- Ensure that current WCAG standards are observed
- Appoint an accessibility specialist for each of our system's sub-sites
- Provide accessibility training for our staff
- Employ the use of an accessibility tool to regularly monitor and measure compliance of our sites
- Provide a built-in translation feature for html content
- Provide alternative formats of online documents when available.

Conformance Status

The [Web Content Accessibility Guidelines \(WCAG\)](#) define requirements for designers and developers to improve accessibility for all users. It defines three levels of conformance: Level A, Level AA, and Level AAA. Cullman City Schools strives to conform to current WCAG Levels A and AA.

Additional Accessibility Considerations

Although our goal is current WCAG Level A and AA conformance, we also address many Level AAA criteria.
