

Hello! Happy Spring!

I pray that this letter finds you well and looking forward to warmer weather. This has been a good year so far at **Fishers High School**. Classes and homework have been keeping me busy not to mention friends and family as well.

This last year I've been involved in a student organization called "Cru". Our Desire is to be a caring community passionate about connecting others with Jesus Christ. Cru has connected me with a wonderful group of friends who encourage me to keep pursuing Jesus. It is so encouraging to be part of this community because it helps me see my school from a new perspective, looking beyond myself to an awareness of the needs of my peers that only the Gospel can meet.

I'm so excited to share with you about another opportunity I'm going to experience through Cru. This Summer, June 25- June 30, Cru is gathering High School students from around the country for a one-week conference in Los Angeles, California. This is the first time in 30 years that Cru High School has had a national gathering of students. Imagine, Hundreds of students gathered together for the purpose of growing in their faith, worshipping together and being trained in how to reach their peers with the Gospel and community outreaches. In addition, I'll be challenged to grow in my walk with God through talks on biblical truth and forming a tight-knit community with other Cru students from Indianapolis. I'm sure it'll be a life-changing experience.

As great as all of this sounds, I cannot do it alone—I am asking for your help. The total cost for this trip will be \$1,000 with transportation. Would you prayerfully consider partnering in my faith growth? Would you consider giving a gift of \$50, \$100, \$250 or any other amount? Contributions can be sent in the enclosed envelope. Please make checks payable to "Cru" (All contributions are tax-deductible). Thank you for prayerfully considering joining me in this vital mission.

Today's high school students need to hear the message of Jesus Christ, and they need a messenger. I would love for you to pray for me as I go, knowing that it is God who is at work in the hearts and lives of the next generation of leaders in the United States. If you have any questions, please contact me via email or phone. I am confident that God will bring me and those I meet in LA into a deeper relationship with Himself through this opportunity.

Thank you for your consideration as I embark on this adventure for the Great Commission (Matthew 28:18-20)!
