Dimitri “Driver” Zakharov

Personnel Overview

Name: Dimitri Zakharov
Codename “Driver”
Nationality: Eastern European
Past Life Job: Drug Enforcement Agent
Current Job: AMTF Nu-7 Sergeant.

Life Before Foundation

Dimitri Zakharov was a Drug Enforcement Agent in his past life. He was recognized around the Agency as one of the most active and dedicated agents. He trained hard to get this job and even left the most important thing behind, his Family. Not much is known about the operations he took part in, nor about the rest of his life.

On █/█/█ Dimitri got invited into the SCP Foundation as an Epsilon-11 Private under the codename “Inventor”.

Past Life in Foundation

“Inventor” quickly climbed up the ranks of Epsilon-11, putting his life at risk for the better of the Mobile Task Force, very soon becoming a Lieutenant under Commander Varr “Reardon”.

Five days after his promotion, “Inventor” decided to part ways with Epsilon-11 due to Internal Complications in the Mobile Task Force, He transferred to AMTF Nu-7 “Hammer Down” Where he served under the name “Polar”.

Transferring from E-11 Lieutenant to Nu-7 Corporal was a huge leap and took some time to accommodate, but soon he would become a Sergeant Major in this Mobile Task Force and on his promotion day to Lieutenant, something terrifying happened..
