

Ok so hey this is my assortment of thoughts/ideas as to how dagger (@CRYSTALOF2SIDES) might be able to interact with other parodies

In other words yea how i think a roleplay could go down between 'em

(disclaimer 99% of these are gonna be like me saying "i think they would have a interesting interaction" cuz listen all of you guys parodies are SUPER COOL!!!)

(ALSO A LOT OF THINGS ARE JUST KINDA STUFF I B THROWING OUT MY MIND IF IT DOESN'T MAKE SENSE SORRY)

ILL PROBABLY UPDATE THIS OVERTIME BUT I WILL PUT U IF U ASK

(ALL NAMES WILL BE HEADED SO IF UR LOOKING FOR UR ACCOUNT LOOK IN THE TAB LISTING)

U CAN COMMENT/DM ME ABOUT SOME OF THESE IF U WANNA EXPAND ON IT

NECROBLOXICON | D. F. VIOLIN (@ncroblxion)

Okay i have no specific ideas in mind but all i need to know for sure

Dagger and violin lowkey need to interact more often when the chance comes they are honestly so cool and make me giddy :D (dagger and his introverted ass smh)

Dagger interacting with necro too could also produce some interesting results I think! I feel like ever since the ball necro is someone Dagger has thought about plenty and probably wants to know more about because Who Is This They Are Interesting

^ Might give Dagger an excuse to visit the Crossroads Library he doesn't really go there all that often

Timewatch (@Timewatch634)

OKAY THE THING IS I THINK THEY CAN HAVE A GENUINELY INTERESTING INTERACTION I'VE SEEN THE WAY THEY BOTH TALK TO EACH OTHER I JUST DON'T KNOW WHAT IT COULD BE SPECIFICALLLYYYY

Maybe dagger could have visited blackrock again and that's where they get to properly meet each other in person??? I'm sure the stuff they could talk about would cook !

^ Maybe also someone proper to really discuss them with??? A lot of what dagger has done when it comes to the crystals is usually his own research that may or may not be accurate because there isn't a secondary eye on them IF THAT makes sense

Honestly now that i mention that i do kinda feel like a proper exploration of the crystals have never really been explored by anyone OTHER than dagger himself

Theres alot of questions i'd say about the crystals that nobody besides Dagger really has the answer to and even then there's probably stuff HE doesn't know when it comes to them

Whether there's someone willing to is another question

⚔️ CAPTAIN ROCKET (@_THEGRE4TC4PTN_)

Dagger meeting the guy that he idolizes to some extent by being able to catch a ride on the captain's ship how cool i think dagger would be super happy :))) yay :)))

But if you want to hear me out for a moment imagine how things are going to go when the captain realizes this inphernal that idolizes her is a fuckin member of the church (dagger doesn't make that obvious though his associations would NOT want to be them)

That would be crazy me thinks the potential would be crazy af

^ ans honestly sad as fuck because dagger would probably LOSE his shit (more in like a mental breakdown way)

PHANTOM ☆ (@dxggerghxst)

GOD I THINK PHATNOM AND DAGGER NEED TO INTERACT MORE OFTEN WE NEED THE DAGGERS TO TALK MORE!!

Not really sure about any specific ideas for an interaction between me but I just know they NEED to interact more.....

🎉 Confetti .! 🎉 🍬 (@Sweetfetti)

Not sure about any possible interactions but i feel like confetti might be able to put a smile on dagger's face fairly easily

Not often he has someone be able to do that

I think they could meet again :)

💎 Wand 💎 (@WitchWand1022)

I really hate having a section so short tbh :(

But hey.. They both live in an apartment in crossroads, wonder if they live near each other... dagger might want to hear wand out on some of her favorite books

☆ SHURIKEN ☆ (@Shurikenn_)

Dagger and shuriken...hmmmmmm ok i don't QUITE got anything but as like i keep saying with 99% of these something is brewing

Tbh i KEEP forgetting to mention it but i think an encounter between dagger and shadow silver would be pretty engaging to play out

I feel like dagger is the type of guy to follow anything that seems suspicious for the moment he sees a shadow bro is definitely like "huh ?"

^ and then bro gets led on a wild goose chase LMAOOOO

Wing ༄(@°▽°@)➤ (@HomeMadeWing)

Hello vro!

Sadly i don't have any possible ideas for an interaction between dagger and wing but something might be brewing up here if we give it enough time :D

t.k pen (@pensandarchives)

I think Dagger and pen have plenty of potential to be pretty good friends

After all both r inphernals who are still trying to find their way in life

As for any possible interactions? I think dagger has to revisit blackrock in order for something to start up

IceDagger ! (@aBlizzardorTwo)

Holy carp. Ice dagger.

Honestly for them sharing a similar weapon i never really thought about an interaction between these two until now

But honestly? I think I see something brewing... :plotting:

Dagger is a weird case if you ask me because you could probably throw all sorts of cold shit at him and he'd still walk out like he lived through a day with average temperature

Also, deity. How could he not use this chance to talk to them.

— MERMAID DOM (@HYPNOTIC_TIDES)

Dagger. A siren behind you.

The inphernal with fish and oceanic motifs encountering a siren... interesting... very interesting..... thinks

(man who gon get the bluefin tuna that is dagger first... the siren or the captain...)

Revolver(@R0TT3NLUCK)

If they ever start beefing with each other i think that would be funny as FUCK bro (bat has to be the witness to it poor her)

Okay. update. Fuhhhh

Blackrockians that share marine animal motifs..... Revolver is an orca and dagger is a bluefin tuna... and orcas hunt tunas..... Oohhhhhhhh... and revolver basically just had a conversation with dagger telling him he's useless... ohhhh.h....

^ just so you know something is being cooked

Brigand (@playgroundsword)

Honestly I think a sort of odd friendship could form between these two based off the vibes i got from their first ongoing interaction

Medkit. (@ResidentDeer)

These inphernals and their issues with them crystals smh.

I think in the off chance these two can talk more i think the conversation involving the crystals would be very intriguing

Ironically dagger hasn't let anyone besides a few select people see the crystals on his body because of the negative feelings he harbors towards them (disgust fear you name the works) and that he also fears how people will react when they're revealed

So to see someone who's DOESN'T react that way will bring him some sort of relief

follower Orange Juice/Beaker ▴ ▾ (@BESTorangyjuice)

OJ? Um dagger hasn't interacted with them not sure

^ ... well now they have and i see something interesting

Hey Follower OJ I think u could take refuge within Dagger's apartment i'm sure he wouldn't mind TOO much

^ I think they've got something going for them though!!!!!!!!!!!!!! Ok yea they do got something going on for them

Don't know about beaker either but they DID encounter each other once when the crystals were in control (dagger faintly remembers that)

Umm i don't have the words in my mind to quite describe what i think can be cooked between these two in terms of interactions but more will cook in the future i trust they've all gone smoothly :D

Dr. Zephyr Anastasia (@drzephyra)

Haven't quite interacted enough to figure something out but I can see something..... Dagger is quite the questioner when it comes to life

Prince Stargazer (@PrinceStar19953)

Proper interactions?? Ummm i got NONE SADLLYYY but i trust when one comes it'll COOK i think this stargazer is very cool !!!! i think they could be friends :D

Haha wouldn't it be so funny if I made the hunger games simulation come true and make Dagger do something he'll regret (technically not even by his hands) sweats nervously umm theu emu emuemu

CR ARCHIVE OG (@WATCHERTOALL)

Interesting case... because i'm not really sure what to make out of a sole person and a whole organization but i do fw the account

How could they even interact.....
