

Two thousand stripling warriors

Young men of pow'r and might

Responded to the battle cry

**O who will stand
and fight?
Behold, our God is
with us!**

**We serve at His
command
They did not fear to
give their lives**

**But boldly took a
stand
This willing band of
brothers**

**Were by their
mothers taught
To trust in God
continually**

**Be true in deed and
thought
For God would then
protect them**

**Their faith He would
reward
They did not doubt
their mothers
knew**

**They trusted in the
Lord
With Helaman
their leader**

**This valiant
brotherhood
United in exceeding
faith**

**And fearlessly they
stood
With no desire for
bloodshed**

**but wanting to be
free
They fought for life
and liberty**

**For God and family
Two thousand
stripling warriors**

**Courageous for
their cause**

**Went forth as with
the strength of God**

**And not one soul
was lost**

**Their faith had
made them mighty**

**Their strength was
multiplied**

**They fought with
pow'r beyond their
own**

**For God was on
their side**
