

Toilet Paper Roll Characters

Inspired by carlasonheim.com

Create a fun character! How can you transform recycled materials into something new? Keep it simple, fun and fast.

Materials: Empty paper towel tubes or toilet paper tubes, markers, yarn, leaves, tape, hole punches, glue....whatever you can find.

Directions:

1. Gather materials
2. Envision a character to create! What is special about your character? What do they like to do? Do they have any superpowers?
3. Start creating! What shapes will you need? What colors and textures can bring your character to life?at you make!
4. Take a photo of your character in a habitat inside or outside.
5. **Stretch and Explore!** Draw your character- You can draw it however you like!
6. Share with someone at home and your art teacher!
