VMEDO doesn't necessarily have ranked the hospitals in any order. This is based on our experience and opinions.

Ambulance Services we offer near Bangalore

1. **Non-emergency Ambulance service in Bangalore:** Usually a non-emergency ambulance is used for transportation when there is a planned patient pickup and drop. When patients can't use other transportation modes such as bus, train, or even private vehicles or when they are recently discharged from a hospital or when they need routine checkups you can call our **24x7 Ambulance Helpline Number – [9343-180000](tel:9343180000)** or visit our website www.vmedo.com
2. **Emergency Ambulance service in Bangalore:** Emergency ambulances are required when the patient has a sudden accident or you've to reach the hospital quickly. We use ALS ambulances which are equipped with ventilators, ECG, monitoring devices, and paramedic staff during these times to save the patient's life and/or promote quick recovery. Please call our **24x7 Ambulance Helpline Number – [9343-180000](tel:9343180000)** or visit our website www.vmedo.com
3. **Mortuary Ambulance in Bangalore:** When your loved one dies, the whole world around you stops. Some private ambulance providers can help in facing these kinds of situations. Please call our **24x7 Ambulance Helpline Number – [9343-180000](tel:9343180000)** or visit

our website www.vmedo.com to book a mortuary ambulance/dead body ambulance for the transportation of a dead person from Bangalore to your city.

4. **Dead body transportation service in Bangalore:** Deaths are a normal occurrence in hospitals, this can be a very confusing state time for the members of the family if the patient is from a distant city. We are here to help you with that when you've to transport a corpse from the hospital to your city [VMEDO Corpse transportation services](#). Please call our **24x7 Ambulance Helpline Number – [9343-180000](tel:9343180000)** or visit our website www.vmedo.com
5. **Air Ambulance in Bangalore:** Air ambulance is an advanced mode of ambulance transport that can be arranged in a critical situation. If the patient needs to be shifted from remote locations or no other transport facilities are available we can use Air ambulance services. To book an Air ambulance please call our **24x7 Ambulance Helpline Number – [9343-180000](tel:9343180000)**
