

You find a \$20 bill on the ground at a busy school carnival. What should you do?

You are at a basketball game where they are giving out free t-shirts to kids under 8. You are 10 but with a group of 8 year olds. What should you do?

Your school night bedtime is 8pm. Your grandma is babysitting you and thinks your bedtime is 9pm. What should you do?

You saw your friend cheating on a spelling test. They have never cheated before. What should you do?

Your best friend is whispering to you about how annoying they think a classmate is. They keep going and start to get mean about what they are saying. What should you do?

You are grounded from eating candy for the rest of the week, but your classmate gives everyone a goodie bag with two mini Snickers for their birthday. What should you do?

You are spending the afternoon with a neighbor of yours who isn't very popular. You run into a group of your friends who invite you to go to a movie but they say that your unpopular friend can't come. What should you do?

You are in the school bathroom and you see two classmates who you want to be friends with writing something on the bathroom stall and laughing. It was just a small picture of a smiley face. What should you do?

You were being silly in class and didn't finish an assignment that you should have been able to get done. It will take you 30 minutes to finish. Your teacher tells you that you have to do it at GATE. You were planning to do it at Choice Time, but it turned out to be a Computer Choice Time and you never get to play on the computer at home. What should you do?
