

Hello and welcome to today's tasks for Monday September 26, 2016.

GOALS:

- 1) Become more familiar with the website for English 9 and all it has to offer.
- 2) To demonstrate efficiency in following specific directions.
- 3) To begin work on the Mastery Unit and the Memoir Unit.

TASKS:

- 1) Click [HERE](#) to access the **Qualities of a Memoir** document. Read through the 7 qualities that create a Memoir and then, in your Writer's Notebook Quick Write section, **synthesize and summarize** these qualities into short, memorable phrases. You want your list to have no more than 3 words total per line.
 - a) Example: 1) Memory from past (you can use this).
- 2) After your list is complete, put away your Writer's Notebook.
- 3) Then, click [HERE](#) to access the first mentor text, "A Lesson Not Learned".
- 4) Read the mentor text. Make a COPY of the document in your own Google Drive and save it as "Memoir Mentor 1"
- 5) After reading it, do the following:
 - On the copy you created, create a proper **MLA Heading** on the top of your paper. Can't remember what it looks like? Click [HERE](#) or [HERE](#) to see an example. Or look at the board.
 - **Create a Title** for this document (example on the board) that is centered and **12 point Times New Roman font**.
 - Type a 4 sentence summary of "A Lesson Not Learned" at the bottom of your page.
 - Type 2 questions you have about this Memoir example underneath your summary.
- 4) Go back to the class website and click on the button that says, "Paper Share Practice"--Share the document correctly to Ms. Alt using the form on the class website.

REMEMBER: You must select under shared settings, "Anyone with the link can edit"
