Frequently Asked Questions

What time does my 8th grader need to be at school? Students will arrive at school as they normally would at 7:20. They do not need to bring anything with them (except maybe a pen for yearbook signing). Teachers will provide an opportunity for yearbook signing, and then we will get them ready for the ceremony.

What should parents bring? Parents should bring their own seating. Students will be set up on the sidewalk outside the main entrance of KMMS facing the parking lot. Parents will set up their lawn chairs in the driveway between the school and the parking lot facing the school.

Can I take my 8th grader home with me after the ceremony? Students typically leave with their family (or a friend's family) after the ceremony. We will have sign-out sheets near the front office entry for parents to sign their students out, indicating that they will be taking them home. You can sign out your student prior to the ceremony to avoid the rush after the ceremony is completed.

****If you are unable to sign your student out and they are leaving with a friend, please contact the office prior to June 5 with that information.**

****If your student has incomplete work, we might request that your student stays to complete work on that day.**

Does my student have school on Thursday, June 6? 8th graders do not have school on the half-day following the completion ceremony. 6th and 7th grade students DO have school that day.

My student has medications in the health room. When should I pick those up?

There will be a table set up before and after the completion ceremony. Please stop by and pick up any medications that the health room might be holding for your student. If you have a 6th or 7th grade student at KMMS, you will also be able to pick up their medications.

What if it rains? In the case of inclement weather, we will move our ceremony indoors to our gym. There will be 2 ceremonies. The first one at 9:00 for **Create and Inspire (last names A-K)**. The second one at 11:00 for **Inspire (last names L-Z)**. Stay tuned for communication from KMMS if we need to implement this plan.
