What is a U-Pick Garden?

Glad you asked! We've done all the planting, watering, weeding and now you get to come pick your favorites...fresh off the plant...and take them home to enjoy now or preserve for later!!

In the coming season our U-Pick garden will be packed with yummy produce that's ready to be picked and served fresh to your family!

What is Growing?

Here's what you can expect for the 2025 season:

Tomatoes, Tomatillos, Bell Peppers, Anaheim Chilies, Jalapeños, Habaneros, Serranos, Hot Bananas, Poblanos, Cubanelle, Thai, Jimmy N Italian Peppers, Sweet Snack Peppers, Yellow Summer Squash, Zucchini, Calabacita, Slicing Cucumbers, Pickling Cucumbers, Eggplant & Green Beans

Watermelon, Cantaloupe and all other melons are done for the 2025 season.

We do have onions, acorn squash, spaghetti bsquash, butternut squash, and lots of different pumpkins available in our market.

We also have a variety of flowers growing in the garden. Scroll to the bottom for U-Pick Flower & Pre-made Bouquet information

How Does it Work?

We run the U-Pick Garden as a **Self-Serve** garden. So you can visit anytime during daylight hours, dawn to dusk (mosquitos are awful around dawn and dusk so plan accordingly.) Pull all the way down the dirt lane on the North side and park to the East of the garden. All info and supplies can be found inside our wooden market.

We provide buckets to pick with and boxes to take produce home in. **Please leave our buckets at the garden so they can be used by other customers. After picking, you can transfer the produce to one of our free boxes to take home.** Buckets can be filled with any combination of things growing in the garden. Other items in the Market are also available for purchase separately.

How Do I Pay?

You can pay via cash (exact change only) or check in our security box (***please make checks payable to Matthew Peterson***) or you can pay via Venmo by scanning our Venmo code found inside the Market.

Location

The U-Pick Garden is located at 2976 S. 4700 W. Ogden, UT 84401.

We do not live on site, please do not disturb the neighbors, they have nothing to do with the garden :)

Pre-Picked Tomatoes

We will start taking reservations for pre-picked tomatoes on July 31st: \$24 per 1/2 bushel, includes box. Pick-ups will be on Mondays/Friday/Saturday. Reservations can be made by calling/texting Ashley at 801.791.9751

U-Pick Flowers

Inside our Market, we have a tote with flower cutting supplies. We provide snips for cutting the flowers; please be sure to return all snips to the tote. You may bring your own container for the flowers or purchase a jar from our tote. You will want to get the cut flowers in water asap.

 **U-Pick Flowers are \$0.50 per stem**

 **MEDIUM SUNFLOWERS are \$2 per stem**

 **LARGE SUNFLOWERS are \$3 per stem**

Please cut flowers in a way to preserve future blooms. In other words, do not cut below where another growing stem starts, unless you want to pay for that as another stem.

Pre-made Bouquets

We sell pre-made pint jar bouquets for \$10 each on most Saturdays from 8am - 11am or until sold out. We also do custom bouquets upon request. Contact Ashley at 801.791.9751
