Apex Concentrate Vaporizer

Our Apex Concentrate Vaporizer is designed for use with wax concentrates, featuring a discreet design and portable size for on-the-go use. Equipped with Quartz Dual Coil Technology, it delivers exceptional vapor quality and flavor. The functional coil cap, three adjustable voltage levels, and heating in waves feature provide a customizable experience. With a 650mAh battery capacity and micro-USB charging, you'll have reliable power when you need it.

Armor Cartridge Battery (510 Thread)

The Armor Cartridge Battery, compatible with 510 thread cartridges, is a must-have accessory for any cannabis enthusiast. Its sleek design and charger inclusion ensure you're always prepared for a smooth vaping experience. Please note that the cartridge is not included.

Lighter

Sometimes, all you need is a simple, reliable lighter. Our Lucky Farms lighter is a straightforward and essential accessory for any cannabis user. It's just a lighter – but it's one you can count on.

VFire Battery (LuckyFarms Pods)

The VFire Battery is a powerful and versatile device compatible with both PlugPlay and Lucky Farms premium oil PODS. Engineered to handle a full spectrum of oil viscosities and thicknesses, the VFire produces robust flavor profiles and milky clouds. This popular device is a must-have for those seeking an elevated vaping experience.

Lucky Farms is dedicated to providing our customers with a comprehensive range of products and accessories to enhance their cannabis journey. From concentrate vaporizers and cartridge batteries to lighters and powerful devices like the VFire Battery, our selection ensures you have everything you need for a top-notch experience.
