FAST FACTS! There are no right or wrong answers. Have fun with it!

What song should we be listening to (one that fits your personality) while writing your letter of recommendation?	
What is the top thing on your bucket list?	
What is your favorite quote and why?	

Complete as many questions below that you can to help your recommender write a good letter for you.

1. List 5 adjectives that describe you:
2. What are your educational, career, and personal goals?
3. What colleges are you interested in and why? What excites you about going to college?
4. Is your high school record an accurate measure of your ability and potential? If not, what do you consider the best measure of your potential for success in college work?
5. Briefly describe an experience that has been important for your growth.
6. What circumstances, if any, have interfered with your academic performance?
7. Has any summer experience, travel, work, or volunteer work been of significant importance to you?
8. Is there any other information you would like to share that would help the writer develop a strong letter of recommendation?

9. List any awards or honors you have earned.

10. What is unusual about your background? How has it impacted your life?

11. What challenges have you met? How have they worked out?

12. Of what single accomplishment are you most proud? Why?

13. Is there anything you haven't mentioned that would be worthy for us to add to your letter?

For the following categories, list dates and/or years, positions held, what you accomplished, what you learned and why it was important to you. Give as much information as possible and be specific.

Clubs:
Athletics:
Awards and Honors:
Volunteer Activities:
Hobbies and Interests:
Employment:
