OLD Business

- GSO \$\$ – Dan sent 2 reports (financial audit) to Linda A & Todd... WAS posted.
Voting in September – YES – at G.C. 9/9/24
Dan recommends going through audit to get a good picture of what is trying to be accomplished.
Jerry mentioned could reallocate to other entities (intergroup, area & district)
Dan states might have to change by-laws to reallocate.
Julie states we HAVE allocated money for GSO. Would have to change everything. What happens to GSO if everyone reallocates?
Andriy asks are we beholden to send GSO \$\$? Are we under some sort of commitment?
Vinny states we need to decide
Kevin states we can just HOLD \$\$ for another month.
Dan states another financial report in 3rd quarter and in 4th quarter.
Vinny states we need to share all
