### World War One Workshop

Dear Parent/Carer,

Year 6 will be taking part in a World War One Workshop as part of our History unit which begins after half term. The group Time Travel Education will be coming in on **Monday 27th November 2023** for the day and we will be immersed in our new topic.

We hope that the day will be a great learning experience for the children as the day is designed to bring WW1 to life through objects and virtual reality. We will be learning about trench life, weapons, hygiene, kit & equipment and much more. The day will also involve genuine and replica equipment that the children will have the chance to investigate.

This workshop costs £10 per child and we would be grateful for voluntary contributions by **Friday 17th November please**. This will appear on Parent Pay.

We are required to remind you that this contribution is genuinely voluntary and a parent is under no obligation to pay. However, in order for the workshop to be financially viable, we will require the majority of parents to make the voluntary contribution. If we do not receive enough contributions then the workshop may have to be cancelled. (Note: we declined our usual autumn term session at Yeadon Tarn as the cost had risen to over £20 each. We hope that this event is more manageable financially.)

Thank you for your continued support.

Yours faithfully,  
Miss Jones and Mrs Dobkin
