

TO ALL MY INTELLIGENT FRIENDS

I am sending this only to my smart friends.

See if you can resolve what these seven words all have in common!

- 1. Banana**
- 2. Dresser**
- 3. Grammar**
- 4. Potato**
- 5. Revive**
- 6. Uneven**
- 7. Assess**

Have you already given up?

Keep trying...

Look at each word carefully.

You'll kick yourself when you discover the answer.

No, it is not that they all have at least 2 double letters.

The answer is below!

Answer:

In all of the words listed, if you take the first letter, place it at the end of the word, and then spell the word backwards, it will be the same word. Did you work it out? No? Then send this to more people and stump them as well.

Then, you'll feel better too.
