About NCSG

We are proud to have individual and organizational members in over 160 countries, and as a network of academics, Internet end-users, and civil society actors, etc, we represent a broad cross-section of the global Internet community. Since our predecessor's inception in 1999, we have facilitated global academic and civil society engagement in support of ICANN's mission, stimulating an informed citizenry and building their understanding of relevant DNS policy issues.
