

# Tech KNOW Saturday

## @NetZeroLee

### Course Catalog

11.07.15

#### **Course Title:** Technology, Tool or Toy?

**Target Audience:** Active Learning and PPCD Parents

**Course Description:** Explore ways to use technology in a functional way to increase receptive and/or expressive language skills, explore cause and effect, and introduce basic concepts such as waiting, following directions and pre-academic skills. You will have an opportunity to explore some of the apps your learner uses in the classroom, see how we use the apps, and learn the expectations we have for learners.

**Facilitators:** Mrs. Pray and Mrs. Gahring

**Location:** A122/A124 in PreK Hall

**Time(s):** 9:00, 9:30, 10:00, 10:30

#### **Course Title:** Presentation Apps

**Target Audience:** Parents of K-5 learners

**Course Description:** Explore a variety of presentation apps learners use to show their learning! Some examples are Adobe Voice, 30 Hands, iEducate, Show Me, and Educations. You will have the opportunity to create your own product, just like our learners!

**Facilitators:** Mrs. Moore, MS. Hyland, MS. Johnson, MS. Hooper, MS. Smith

**Location:** Purple House

**Time(s):** 9:00-9:55, 10:00-10:55

## **Course Title:** Information Literacy & Safe Searching Strategies

**Target Audience:** Parents of K-5 learners.

**Course Description:** Need to help your child find safe and reliable information online? Want to help your child be an ethical user of information? In this session, parents will learn how to access CISD's databases including NetTrekker, Discovery Education, World Book, and Pebble Go and discover why these free resources are a better option for safe searching. Please bring a device of your own or check out an iPad or Macbook to participate in our course.

**Facilitators:** Mrs. Hunt, Mrs. Rios

**Location:** Media Center

**Time(s):** Come and Go 9:00-9:55, Come and Go 10:00-10:55

## **Course Title:** Cool Tools for School!

**Target Audience:** Parents of PreK-5 learners

**Course Description:** This course is intended for those who wish to learn more about the apps and web based tools that we use at Lee that promote collaboration and provide assessment data. Apps and tools to be covered include Thinglink, Google Docs, Today's Meet, and Padlet. Requirements: You must have a Google account of your own or have the username and password for your learner's Coppel Google account. Please bring a device of your own or check out an iPad or Macbook to participate in our course.

Access code to join the group: **XPBCX-22CWJ**

**Facilitators:** Learners & Ms. Schlossstein

**Location:** Blue House

**Time(s):** Come and Go from 9-11

## **Course Title:** Learning Apps

**Target Audience:** Parents of PreK-5 learners

**Course Description:** Come explore some of the iPad applications being used in classrooms at Richard J. Lee Elementary School. Parents are welcome to spend as much time as they need learning about and interacting with these applications and how they enhance the learning experience in their child's classroom.

**Facilitators:** Learners & Mrs. Swire, Mrs. Phillips, Mrs. Bateman

**Location:** Yellow House Open Space

**Time(s):** 9:00-9:55, 10:00-10:55

## **Course Title:** Digital Native vs. Digital Immigrant: How to Parent in the Digital Age

**Target Audience:** Parents of PreK-5 learners

**Course Description:** Does it seem like your learner knows more about technology than you do? Are you struggling with your learner being too plugged in to their technology? Want to learn more about how to manage cyberbullying and privacy online? Maybe you just want to learn some strategies to help manage technology use at home and help your learner be the digital citizen we all know they can be. Join us to add some tools to your technology toolbelt!

**Facilitators:** Mrs. Kastrounis, Mrs. Holcomb, Mrs. Garvin

**Location:** Room 103 (Yellow House)

**Time(s):** 9:00, 9:30, 10:00, 10:30

## **Course Title: Schoology**

**Target Audience:** Parents of 3rd-5th grade learners

**Course Description:** Want to learn how we use Schoology here at Richard J. Lee Elementary? Come join us and take a quiz on Schoology, view resources, and have a discussion to see how designers use Schoology to enhance learning and collaboration! Attend our 30 minute crash course to learn about the basics of Schoology. Bring your own technology, or use ours to navigate the parent view of Schoology. Also, if your child comes with you, they can show you their view and how they use it in class. At the end of the course, we will allow time for questions through a discussion page in Schoology.

**Facilitators:** Mrs. Shaner

**Location:** 310

**Time(s):** 9:00, 9:30, 10:00, 10:30

## **Course Title: Technology in PreK**

**Target Audience:** Pre-K Parents

**Course Description:** Come and learn how we are using technology in Pre-K. We will explore QR codes, Adobe Voice, 30 Hands and Bitsboards. You will also learn how you and your learner can use these apps at home to enhance what we are doing at school.

**Facilitator:** Mrs. ACoSta

**Location:** A118

**Time(s):** 9:00-9:55; 10:00-10:55

## Course Title: How to Navigate Digital Communication Tools

**Target Audience:** Parents of PreK-5 Learners

**Course Description:** This course is intended for parents who wish to learn more about ways our school communicates with parents at Lee. Resources that we will cover include My School Bucks, Sign Up Genius, Peach Jar, the PTO website, our Campus Web Page, and the basics of email. A device will be provided for you during our course time.

**Facilitators:** Learners & MS. Pirog, Mr. Wade, Mrs. Petrovic, Mrs. Lincoln

**Location:** Red House

**Time(s):** 9:00-9:55, 10:00-10:55

## Course Title: #Twitter

**Target Audience:** Parents of PreK-5 learners

**Course Description:** Have you ever wondered what your child is working on at school? Do you wish you could see it? Well Twitter is one form of social media used by campus administration and designers @Lee. Parents will get ideas about how to use pictures and tweets as a conversation tool to start dialogue with children at home. This course is intended to help you walk through Twitter. We will help you set up your account, show you how to and who to "follow", share tweet lingo, and prepare you to be informed of what is going on @NetZeroLee. Bring your smartphone or use a school laptop for our session.

**Facilitators:** Mrs. S. Khan

**Location:** Red House (In conjunction with "Communication Tools")

**Time(s):** 9:00-9:55, 10:00-10:55
