12. After filling in Details proceed to Team page

13. Fill out all required fields and press **Save**.

The screenshot shows a web browser window with the URL `battle.startup.network`. The application has three tabs: 'Startup Profile', 'Details', and 'Team' (which is active). The 'Team' section is titled 'Team' and includes the text 'startup code: 54483'. Below this, a message states: 'Team is the most important criteria for our investors. Please add all founders of your startup. Other team members are optional.' The form contains several input fields: 'First Name *', 'Last Name *', 'Job title *', and 'Link to LinkedIn profile' (with a sub-label 'Add link'). To the right of the first two fields is a placeholder for a photo with a '+' icon and the text 'Add photo Min 240*240'. A blue 'Save' button is at the bottom of the form. A green checkmark icon is in the bottom right corner of the window.

14. To add other team members press **Add team member**.

The screenshot shows the same 'Team' form, but now it displays a list of team members. The list has a header row with 'First Name Last Name' and 'Founde'. Below the header, there is a single entry with a placeholder icon for a photo. To the right of the entry are 'Edit' and 'Remove' links. Below the list is a button with a '+' icon and the text 'Add team member'. A blue 'Submit' button is at the bottom of the form. A green checkmark icon is in the bottom right corner of the window.

15. After filling in all the information about your Startup you'll receive this type of confirmation. Thank you!
