Extra

Personality Type: ENFP-T

Personality: As a very energetic, excitable girl, Rula loves to have fun and to be around people, though she is also a hard worker too. Once she decides she wants to accomplish something, she is determined to see it through, no matter how long it takes or how impossible it may seem. She's also very possessive though and has little patience with someone who seems to be trying to take something away from her, and she also can get pretty jealous when someone else has something that she really wants.

In addition, Rula is very imaginative and a hopeless romantic, and she is a believer in "true love", "soulmates", and other typical romantic ideals.

Likes: Learning languages, flowers, romance, daydreaming, Dueling Club, the color orange, pretty dresses, flying, Quidditch, cute animals, practicing spells, traveling
Dislikes: People disrespecting her family or her friends, Junia stealing her clothes, the Dark Arts, pessimism
