SR3 Online Registration

Online Registration is now available for all current SR3 students. Students who are new to the district need to register with their respective schools.

Please note: Online Registration works best with CHROME and is NOT available on mobile devices.

If you do not have internet access, computers are available at each building during regular business hours and back-to-school nights. You must have a Tyler Parent Portal account to access the forms.

If you do not have a Tyler Parent Portal Account or have questions, please contact Tech-Help@savannahr3.com. You will need a valid email address to set up a Tyler Parent Portal Account.
