Theory of Happiness (English)

Oh flower, that we can't name, has bloomed in fullness

Drench yourself in the nonchalant every light

This hand I reached out, it has't gotten many things

And again before I realized it, I kept this smile only to myself

As if shutting it off into my narrow heart, all the small joys

It's too late but I realized that they were counterfeits of happiness

And not actual happiness, such a fool I am

If I could bring back time, I would want to go back to when you were there

Happiness isn't meant to be taken away, it's the courage

to be able to give happiness to others

These opened eyes haven't seen many sceneries

Not realizing that the things that are important, are clear

Not saying 'Thank you' nor 'Sorry',

I know I, one day, would become like the air

But when you are not there, I cannot breathe

The flower that we can't name, bloomed in fullness

as bright as the days I was with you

I don't look for happiness, it's just something that simply wraps me in the tender air

Like a rock that became round through the river's flow

Time's fly does the same to my heart

Oh flower, that we can't name, has bloom in fullness

So that I won't make the same mistake again

Oh flower, your scent, your pale color, burn it into my heart

If I could bring back time, I would want to go back to when you were there

Happiness isn't meant to be taken away, it's the courage

to be able to give happiness to others

내가 찾은 그 모든 건 그건 바로 너의 웃음이었고
That everything I was searching for was exactly your smile

너의 웃음 기억할게 그 미소를 가슴에 담을래
I will remember your smile, I will place it in my heart

Naneun gi-eokae neo-ui geu modeun geol manheun sigane baraejyeo gatjiman
나는 기억해 너의 그 모든 걸 많은 시간에 바래져 갔지만
I remember, that everything about you, though it's been faded with time

Naneun gi-eokae hamkke baraetdeon kkum
나는 기억해 함께 바랬던 꿈
I remember, that dream we both hoped for

Aryeonhi gaseume dasi ol su eobgessjiman
아련히 가슴에 다시 올 수 없겠지만
Faintly in my heart, though I can't see it again

I don't wanna miss you

I wanna hold you

너의 그 모습 그 모든 걸
That image of you, that everything

I don't wanna miss you
