INTRODUCTION

The article should not be more than 15 pages, single-spaced, Times New Roman, font size 10pt. First paragraph should not be indented, the rest of paragraphs are indented first line 0.5 cm. The content of the article is in two columns. Before and after spacing for all paragraphs is set to 0 pt.

This part should contain research background, statement of objective(s) or research question(s). Introduction should be presented in the forms of paragraphs, not pointers. The article should be saved with the file name: THE Journal_First Author's Name.

LITERATURE REVIEW

The article should not be more than 15 pages, single-spaced, Times New Roman, font size 10. All paragraphs are indented first line 0.5 cm. The content of the article is in two columns. Before and After Spacing for all paragraphs is set to 0 pt.

Please use American Psychology Association (APA) Style for citation and reference list. For in-text citations, use the author's name and year (Author, 1980), and if there are direct quotes, then provide the page number (Author, 2010, p. 24). If you are citing more than one reference, put them in alphabetical order (Alpha, 2008; Beta, 1999). For a reference with up to five authors, use all the names in the first instance (Author1, Author2, Author3, Author4 & Author5, 2007), and then use the first author et al. subsequently (Author1 et al., 2007). Do not use footnotes. For further information, please visit <https://www.apastyle.org/learn/faqs/index>.

Subheading

At least 80% of the references are from latest publication. It is recommended to cite from reputable journals.

Subheading

Authors are expected to summarize the previous studies related to the topic and explain theories comprehensively.

METHOD

The article should not be more than 15 pages, single-spaced, Times New Roman, and font size is 10. All paragraphs are indented first line 0.5 cm. The content of the article is in two columns. Before and After Spacing for all paragraphs are set to 0 pt.

In this part, the authors should accurately state the data sources, describe how the data were collected and explain the procedures used to analyze the data.

RESULTS AND DISCUSSION

The article should not be more than 15 pages, single-spaced, Times New Roman, font size 10. All paragraphs are indented first line 0.5 cm. The content of the article is in two columns. Before and After Spacing for all paragraphs are set to 0 pt.

This section consists of description of the results of the data analysis to respond the research question(s)/objective(s) and their meanings that are related to current theories and references of the area addressed.

Equation

All equations should use Cambria Math font and the size is 10. Make sure they are placed in the center.

$$(x + a)^n = \sum_{k=0}^n \binom{n}{k} x^k a^{n-k}$$

$$A = \pi r^2$$

Table

All tables use Times New Roman font. The font size for the title of the table is 10, while the font size for the content and the source of the table is 8.

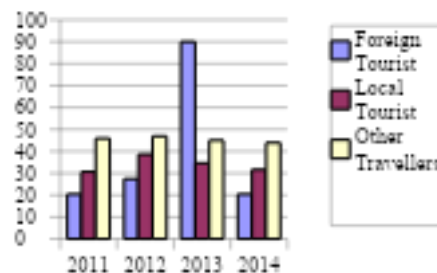

Table 1. An Example of a Small Table (Sentence Case, TNR, Font Size 10, Bold)

N o	Table Column Head		
	Subhead	Subhead	Subhead
1.	Single line spacing		
2.	Avoid vertical line		
3.	Times New Roman		
4.	Font size 8		
5.	Repeat header rows		

Source: Times New Roman, Font Size 8

Figure

The font used in the figure is Times New Roman, the font size for the content and the source is 8 and for the title is 10.

Source: Times New Roman, Font Size 8

Figure 1. An Example of a Small figure (Sentence Case, TNR, Font Size 10, Bold)

Some tables or figures may need wider space, it is necessary to put bigger table or figure in a one column setup as can be seen below.

Source: Times New Roman, Font Size 8

Figure 2. An Example of a Big figure (Sentence Case, TNR, Font Size 10, Bold)

CONCLUSION

The article should not be more than 30 pages, Times New Roman, font size 10. All paragraphs

are indented first line 0.5 cm. The content of the article is in two columns. Before and After Spacing for all paragraphs are set to 0 pt.

This part consists of summary and restatement of the main results.

ACKNOWLEDGEMENTS

Indicate sources of funding or assistance received in carrying out your study and/or preparing the manuscript if any before the references.
