Privacy Policy: Disclosure on Data Collection and Handling

In our game, we consider the privacy of our users as a top priority. We are committed to ensuring that any personal information collected and handled meets the highest standards of security and confidentiality. Below we provide you with details about how we collect and use data in connection with the main game account, which requires a Microsoft account and username and is used for authentication purposes only.

Data Collection: When creating a primary account in our game, you will be prompted to link your Microsoft account and select a username. During this process, we will collect only the information necessary to authenticate your identity and allow you to access game features.

Data Usage: Data collected through the Master Account will be used for authentication purposes only. This means that your Microsoft account and username will be used to verify your identity each time you access the game, thus ensuring that only you have access to your profile and its associated features.

Data storage: We keep your data secure and store it using appropriate security measures to protect your personal information. We will only retain your Microsoft account and username for as long as necessary for the operation of the game and to comply with our legal obligations.

Data Sharing: We will not share your Master Account data with third parties without your explicit consent, unless we are legally required to do so by legal requirements or in compliance with a valid court order.

Privacy Rights: You have rights over your personal data. If you wish to access, correct, modify or delete the information associated with your main account, you can contact our support team to exercise these rights.

Cookies and Similar Technologies: We may use cookies or other similar technologies to enhance your gaming experience and to collect technical information necessary for the proper functioning of the game. You can consult our Cookies Policy for more details about its use. in this

In short, our privacy policy ensures that your personal data associated with your main game account, which requires a Microsoft account and username, is collected and handled solely for authentication purposes. We are committed to protecting your privacy and using your data in a safe and responsible manner. If you have any additional questions or concerns about our privacy policy, please do not hesitate to contact us.
