

Book Fair Info

The book fair will be held 10/21/2024-10/24/2024. We WILL be open during parent-teacher conferences.

All funds generated from the fair go to our author visit, so we appreciate your shopping with us!

If you do not plan on coming to the fair during conferences, we are offering e-wallet as a payment option so kids don't have to carry cash on them. This is an excellent way to have kids shop without worry! Parents, grandparents, etc. can load money onto kids' accounts and they can pay from the account at the register. To create an e-wallet, follow these steps:

1. Go to this website [Fair Finder](https://bookfairs.scholastic.com/content/fairs/fair-finder.html) (<https://bookfairs.scholastic.com/content/fairs/fair-finder.html>)
2. Search up Mill Creek Upper Elementary by name or zip code
3. Click on "Go to eWallet" (scroll down about halfway through the page)
4. Fill out the form.
5. If setting up e-Wallet for more than one child, there is an "add a kid" option.
6. OPTIONAL: print out the barcode to send to the fair. This is the only place where added "notes" are available, so if you want to put restrictions on what your child can purchase (ex. Only one graphic novel, no posters, etc.) you should print! Otherwise, it isn't needed.

Any unspent funds stay on their e-wallet until the next book fair or online Scholastic order. Note that if your child is a current 6th grader, this is the last fair they will have so they will need to spend all funds at this fair or the money will be lost!

Library Focus

Students will be learning about the state-wide reading challenge this month and selecting which of the nominated books they want to read to complete the challenge. We will also be reviewing the supernatural book genre during library time this month.
