

Can't Hardly Wait

C F
 Write you a letter tomorrow
 C F
 Tonight I can't hold a pen
 C F
 Someone's got a stamp that I can borrow
 C F
 I promise not to blow the address again
 G Am C
 Lights they flash in the evening
 G Am C F
 Through a hole in the drapes

 C F
 Jesus rides beside me
 C F
 He never buys any smokes
 C
 Hurry up, hurry up
 F
 Ain't you had enough of this stuff?
 C F
 Ash tray floors, dirty clothes and stupid jokes

G Am C
 See, your smile is lonesome
 G Am C F
 Try and try and try

 G Am C
 Lights they flash in the evening
 G Am C
 Through a hole in the drapes

 G Am Em
 I'll be home when I'm sleeping
 G Am C
 I can hardly wait (*stop & pause*)
 F C
 I can't wait, hardly wait
 F C
 I can't wait, hardly wait
