

Munch run by Steve C  
Minutes taken by Mischief

Approximately 30+ in attendance tonight, a good mix of new faces and old.

#### Recent Events:

Jess Head Shave Party for charity - total to date raised \$630.00, not the largest number of attendees, great to see some new faces, a good night.

Fire Play workshop run by Calvin and Minx - approximately 24 attendees, people learned and had fun

Sub Sig - small and raucous gathering

- Sub Sig is held on the first tuesday of the month

SM Sig - approximately 8 in attendance, entertaining conversation as always

- SM Sig is held on the fourth wednesday of the month

Rope Sig - meets weekly on a wednesday, occasional thursdays and some sundays, attendance runs anywhere from 6 - 20 on any given night

#### Upcoming Events:

Fetish Ball: this saturday, tickets are selling well, \$50 to UB members, Glen and Steve C both have tickets available, contact either of them if you want tickets. There will be a rigging point in the UB area this year - we are setting up in a different area than last year.

Swing Night at Tawse Manor: 9/12/17 for those of you who are interested, it is the first one in a while so should be a good night, there is also one on the 30/12/17.

Last Munch of the year 12/12/17: decision to be made as to whether to have the first munch of the new year in the park or book the current venue.

Xmas Party: 16/12/17 open to all, TNG has moved their party to the New Year (previously there was a date clash) so it will be a UB/TNG combined party sort of thing.

Theme is Kiwi Xmas so there will be a BBQ, sausages etc will be supplied, however if you want to bring anything to throw on the BBQ by all means bring it along. The profit from the party will go to the City Mission, there will also be a can donation box - please not spaghetti and baked beans as they have that coming out of their ears already. The cost will be \$10 and you will need to bring a plate.

Munch Muggings came to \$41.60, held currently by Mischief until The Negotiator returns from holiday.

The End
