Dear Ralph,

... I was able to reproduce a couple of pages referring to Ecuador from both the English and German versions of my autobiography. There is, of course, more to Ecuador in my book, but rather than putting it on your web site, I'll let readers know the origin of these pages.

The German version is more easily accessible in the "Becksche Reihe":  
Title: *Unfreiwillige Wanderjahre: Auf der Flucht vor Hitler durch drei Kontinente*. Mit einem Nachwort von Uwe Timm. [With an afterword by Uwe Timm]. Beck Verlag, Munich: 2009 (2nd Edition).

For this book, I got the J.C. Cotta Prize in 2008.

The English version is entitled *Refuge: Chronicle of a Flight from Hitler*.  
Ariadne Press, Riverside, CA: 2002.

Both books contain a description of my stint as a law student in Cuenca with description of weird courses and a nationwide student strike, for those of your readers who are interested in such matters.

With my best wishes sincerely,

Egon Schwarz
