

## Parent/Guardian Information

Students from my Environmental Science 20 class will be participating in two field experiences relating to our food sources and how humans use land for agricultural purposes.

On Tuesday, March 17, 2015, the students will travel to Safeway at 302 33rd St W. The class will leave the school at 10:05 am and travel by foot, arriving at 10:20 am. The students will be dismissed from the location at 11:00 am to make their way back to Bedford Road.

On Wednesday, March 18, 2015, the students will travel to the Saskatoon Farmer's Market. We will leave the school at 10:05 am and travel by foot, arriving at about 10:20 am. The students will be dismissed from the Farmer's Market at 11:00 pm to make their way back to Bedford Road.

Students should dress appropriately for an outdoor excursion. The trips will still occur in the event of precipitation or cold weather. Even though we will be away from the school, all school rules still apply.

These experiences have been planned in order to provide a special and unique experience in the study of Environmental Science. If you have any questions please do not hesitate to contact me via email.

Yours Sincerely,

Sheldon Lewchuk

## Parent/Guardian Consent Form

In complying with the out of school guidelines of the Saskatoon Public Board of Education, a permission form must be obtained from the parent or guardian prior to the excursion.

I understand the conditions, as outlined, for the field trip activities that are planned by the Environmental Science 20 class, on March 17 and 18, 2015. I approve of the arrangements, and as long as reasonable precautions are exercised and proper supervision is afforded, I give my son / daughter \_\_\_\_\_ permission to participate. Although I expect attention to safety, I will not hold teachers at Bedford Road liable or responsible in case of injury or accident.

Student's Name: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_
