

NYU Shanghai Sports Team Tryouts
- Co-ed Tennis Team
Coach: Mr. ZHANG, Chaoqun

1. Evaluation Contents and Rating

1.1 Half-court Shuttle Run (10% of Score)

Place the racket behind the center mark of the baseline, with the racket head pointing toward the net. The position of the 5 balls is shown in Figure 1.

Figure 1

The players are required to retrieve 5 balls in an anti-clockwise direction from the center mark of the baseline, placing each ball on the racket surface. Tester will record the completion time of each player.

1.2 Forehand & Backhand Hitting from the Baseline (20% of Score)

The player gets ready at the center mark of the baseline. After the designated person hits the ball over the net to the player, the player should hit the ball with the forehand and backhand. Each player must hit the ball five times with the forehand and five times with the backhand.

1.3 Forehand & Backhand Volleys in front of Net & Smash in front of the Center Court (20% of Score)

The player gets ready at a distance of two meters from the net. After the designated person hits the ball over the net to the player, the player should hit a forehand volley, a backhand volley, and then a smash in front of the center court. Each for five times.

1.4 Service (20% of Score)

Each player serves five times on the deuce court and then serves five times on the advantage court. If the first service fails, the server can try one more time, for the server has two attempts to make a good service. The second service can also earn a score.

A high score will be expected based on correct grip, coordination of the upper and lower limbs, good hitting point, rapid hitting speed, good stability, and good spin of the second serve. Otherwise, the score will be reduced.

1.5 Game Performance, Tactical Awareness, and Individual Characteristics (30% of Score)

Players of equal levels will take singles. The 10-point tiebreaker will be applied to this game. Rational skills and tactics, great adaptability, aggressive movement, and attack are required conditions for a high score.
