

PAR PILOT - PRIVACY POLICY

Last Updated: 2026

Par Pilot ("we", "our", or "us") respects your privacy. This Privacy Policy explains how our iOS and Apple Watch application ("Par Pilot") handles your information.

1. INFORMATION WE COLLECT & USE

- Geolocation Data: Par Pilot uses your device's location services (GPS) solely while using the app to calculate rangefinder distances to golf holes and display satellite course maps. We do not track your location in the background or store your location history on external servers.
- User Profile & Game Data: Scores, handicap preferences, custom club distances, and wager tracking data are stored locally on your device.

2. DATA SHARING & THIRD PARTIES

We do not sell, rent, or share your personal data with third-party advertisers or data brokers. All score and location processing occurs directly on your device.

3. YOUR CHOICES & RIGHTS

You can enable or disable location access at any time through your iOS device settings (Settings > Privacy & Security > Location Services > Par Pilot).
