Verse 1

A **D** **A**
Your mercy reigns from Heaven, like confetti at a wedding
D **A** **E**
And I am celebrating in the downpour
A **D** **A**
Your heart is wild with color like a never ending summer,
D **A** **E** **A**
you burn away the winter of my cold and weary heart.

Chorus

A (C#) **D** **F#m** **E**
My soul cries out holy holy,
A (C#) **D** **F#m** **E**
My heart is lost in your beauty
F#m **D** **A** **E**
All hope is found in your mercy,
A (C#) **D**
You give new life
F#m **E** **A**
Now I am finally free

A **D** **A**
Your grace oh God's the anchor, that's holding me forever
D **A** **E**
Come trouble or high water, I am steadfast

Yeah you lift me when I'm sinking, like the swell of mighty oceans
D **A** **E** **A**
The power of redemption, it gives me wings to soar

Verse 3

A **D** **A**
We'll cast our crowns before him, like the rustling leaves of autumn

Now every chain lies broken, and finally we're free
