

Participants: Nokulunga Sophezi-Melithafa, farmer from Eastern Cape and Denisha Anand from Princess Vlei Forum. A conversation of just two passionate people is valued in Open Space. Minutes below.

2. The 'South African Climate Emergency': What is it?

Issue: What will happen to green spaces in Townships /

What happened? Please KISS (keep it short and simple) and write clearly

Cape Flats

- Jobs is Conservation of green spaces
- Urban dev. housing / malls (Environmentally friendly)
- How do green spaces improve the lives of poor communities?
- Culture is being affected because culture & tradition is linked to green spaces
- Knowledge transfer from elders affected by Climate Change - Sun / Stars
- Community Education - Why do we need those spaces
- Story telling for Conservation & need those spaces

Convener: Denisha

Participants: Nokulunga

What will happen to green spaces
in poor / disadvantaged communities?

Cape flats / Townships

→ Jobs vs Conservation of
green spaces Environmentally
friendly?

→ Urban dev. - housing, malls etc
vs

→ Green spaces

→ How do green spaces improve
the lives of poor communities?

→ Culture is being affected because
culture & tradition is linked to
green spaces

→ Knowledge transfer from elders
affected by Climate change - Sun, Stars

→ Why do we need to take care of green
spaces & why do we need them - community
Education

→ Story telling by older
members of the community
