

Navigator Weekly Newsletter

October 10-14

Reminders & Upcoming Dates:

- No School Monday, Oct. 10!!
- School Picture $ due Friday, Oct. 14!
- ESC will be hosting a Shoes for Sugarbelle drive for the month of October. If you are doing any closet cleaning, please remember to bring in your shoes.

Language Arts

Skills:. We will finish our Narrative Writing unit this week. The students will be editing and typing their final drafts. We will continue IXL skills and the contract is due Friday. Unit 2 Root Words quiz will be Friday.

Math

This week, we will begin Unit 2 on Volume. We will begin by building conceptual understanding of volume by using manipulatives, models, and cubes. We will have an IXL Contract this week, but will not have a Cumulative Review.

Social Studies

We will pushing our Explorers Unit test to Wednesday, Oct. 12. On Thursday, we will begin our next unit, Colonial America. Our focus Thursday and Friday will be on why Europeans colonized North America and the New England colonies.

Science

This week we will continue our unit on Ecosystems. The students will be building an eco-column that is made up of an aquarium and a terrarium. This is an exciting unit for students. They will get to work with living creatures, become investigative experimenters, and draw parallels between the events occurring inside their model eco-columns and those that occur every day all over the world. This week we will begin to discuss pollution and how it can have a negative effect on our ecosystems.
