## Section 1 | Anomaly Actors Exclusions

### Exclusion Details

Anomaly Actors is classified as a *Misc Department*, this means that *both of your departmental slots are available* to use as needed. Please note that *we recommend being in no more than one other department* during your time in Anomaly Actors, as we require a *considerable amount of time* in-game, which *may become overwhelming*.

The Anomaly Actors Departmental Exclusions take place once you are *fully inducted as a Trainee* into Anomaly Actors, and affect you for the *entirety of your time* within Anomaly Actors, as well as an *additional 1 Month period after discharging* from the Department. *By accepting your invitation of induction, you agree to all of the terms within this document.*

### Excluded Departments

The Departmental Exclusion Policy affects the following:

MTF  
ScD  
THI Scribes

All affected Departments and Sub-Divisions *may not be joined for the entire duration of the Departmental Exclusion*. If you are *within them when Inducted* into Anomaly Actors, *you must discharge from them before accepting the invitation of membership*.

*While under the effects of this exclusion, you are also not permitted to host or assist with Training others on SCPs, their behaviours, or how to counteract them.* You are also forbidden from *participating in any recontainment operations in any form*. Any form of application, induction or affiliation with the aforementioned Departments/Sub-Divisions while under the effects of this Exclusion are also strictly forbidden.

### ISS Exclusion

If a member of the *Internal Security Service* joins the *Anomaly Actors Discord Server* for *investigative purposes*, they are *not permitted to be inducted* into Anomaly Actors for the *entirety of their posting* within the server, *as well as for a 2 Month buffer period* once the posting has ended.
