## Canva - Grateful Habit Tracker

6-12  
Intermediate  
Secondary

In this activity, students will listen to a TedTalk about being grateful and being happy and then start tracking their gratitude using a habit tracker in Canva.

## Apple Keynote - Thankful Selfie

K-2  
Primary

Students will take a picture of themselves using the Camera app. They will import the image to Keynote. They will use the drawing tools & shapes tools to create a poster that shows all the things they are grateful and thankful for. They can save this as an image or a GIF to share on Seesaw/Padlet/etc.
