

Hello families,

A few notes as we start wrapping up our school year.

1. Each classroom will continue to offer **LIVE** morning meetings where we'll discuss a question of the day.
2. Check out the Fifth Grade "StarBurst" on the [Rising Star Elementary PTA FaceBook Page](#) on Monday!
3. We want you to feel supported navigating these opportunities to engage during Continuous Learning. Please reach out if you need anything. We keep the [5th Grade Website](#) updated weekly with information and how to contact staff.

Thank you for your support during Continuous Learning!

The Fifth Grade Team
