An Imam from a masjid in Dubai' is in Cincinnati due to some personal reasons. He is going to help with Taraweh inshallah. There are 3 people that will lead Taraweh. - g. IAC to organize a vaccination drive on our property with the help of a Mobile Unit from the city of Cincinnati under the supervision of our own Medical Doctors. If we decide to do it, we have to publicize the vaccine shot. Our doctors would take the lead to coordinate with the units to give the shots. No issue from a vaccine standpoint. There are people in the community that don't believe in the vaccine/COVID19.

Motion: authorize Br Ibraheem to work with the Mobile unit to deliver vaccines on site where IAC only has responsibility for advertising for the event. Passed
