One, for each blessed day

**Two, every breath I
take**

**Three, for my
family**

**Four, all they mean
to me**

Five, just to be alive

**Six, for the earth
and sky
And seven for
heaven**

**For every good
thing**

**That I have comes
from God
Every day every
hour**

**There are
blessings He sends**

**Without number or
end**

**If I counted a
hundred**

**Or a thousand I'm
sure**

**There would still be
more**

To be thankful for

**Eight, for the
chance to grow**

**Nine, heart and
hands and soul**

**Ten, for the eyes to
see**

**All God has given
me**

**I could go on and
on**

**Counting the whole
day long**

**I know He is with
me**

**For every good
thing that I have**

Comes from God

Every day every hour

**There are
blessings He sends**

**Without number or
end**

**If I counted a
hundred**

**Or a thousand I'm
sure**

There would still be more

**There would still be
more and more**

To be thankful for
