At Delphic School Students and Staff are Safe, Respectful, and Responsible

September 12, 2025

SUPERINTENDENT/PRINCIPAL MESSAGE

Dear Parents and Families,

Fall Pictures

Our fall picture day is September 23rd. We are using the same photographer as last year, Taryn Burkleo. An order form will be sent home the week of September 15th. Please fill out and have your student bring the order form and payment (cash or check, written to Photography by Taryn) on the day of pictures.

Attendance

Attendance is one of the most critical features of kids' success in school. If your child has to miss school, please contact the office. Please try to schedule appointments outside of school hours to help support your child's school success.

Items to Not Send to School

Please do not send your child to school with candy or sugary drinks. If these come to school, we will ask students to dispose of them or put them away and take them home. Thank you for supporting us in helping kids make healthy choices at school.

Personal Items at School

Students are free to bring toys from home. However, they are responsible for them, and are to be used only at recess. Delphic will not be responsible for any lost or broken items.

For the kids!

Mrs. Carver

Superintendent/Principal, Email: jcarver@delphic.k12.ca.us

K-2 GRADE

- The kindergarteners are learning the letters D, E, F, and 3, 4, 5. They are also working hard learning shapes. The first and second graders are working hard in reading. In math, the first graders are working on adding single digits and second graders are adding double digit numbers. In the afternoon, they learned about Betsy Ross.
cday@delphic.k12.ca.us

3-5 GRADE

- This week in our classroom we have been diving into non-fiction reading and exploring autobiographies. We also began our new unit on opinion writing, where students are learning how to form and support their own ideas. In math, 5th grade is working on finding the volume of irregular shapes, 4th grade has started a new unit on fractions, and 3rd grade is representing multiplication in both standard and picture form. In music, students enjoyed an introduction to recorders, and in science we are continuing our study of energy transfer and collisions.
bramsden@delphic.k12.ca.us

6-8 GRADE

- This week, we went on a field trip to Greenhorn Park on Wednesday. In science, we are learning about space. In social studies, we started to learn about the Age of Exploration. In English, we began POV paragraphs.

SAFE Notes

(Safe Afterschool For Everyone)

Happy Friday Delphic families! Volleyball and cross country have started in SAFE. Please make sure your athletes are coming to school prepared for practice. SAFE clubs will be starting again soon. Look for an updated schedule in the coming weeks.

-Kelly-
