## ADDENDUM A

**Frank Caprio** · 6:04 ASIA FOR THE ASIANS, AFRICA FOR THE AFRICANS, WHITE COUNTRIES FOR EVERYBODY!

Everybody says there is this RACE problem. Everybody says this RACE problem will be solved when the third world pours into EVERY white country and ONLY into white countries.

The Netherlands and Belgium are just as crowded as Japan or Taiwan, but nobody says Japan or Taiwan will solve this RACE problem by bringing in millions of third worlders and quote assimilating unquote with them.

Everybody says the final solution to this RACE problem is for EVERY white country and ONLY white countries to "assimilate," i.e., intermarry, with all those non-whites.

What if I said there was this RACE problem and this RACE problem would be solved only if hundreds of millions of non-blacks were brought into EVERY black country and ONLY into black countries?

How long would it take anyone to realize I'm not talking about a RACE problem. I am talking about the final solution to the BLACK problem?

And how long would it take any sane black man to notice this and what kind of psycho black man wouldn't object to this?

But if I tell that obvious truth about the ongoing program of genocide against my race, the white race, Liberals and respectable conservatives agree that I am a nazihowantstokillsixmillionjews.

They say they are anti-racist. What they are is anti-white.

Anti-racist is a code word for anti-white.

## ADDENDUM B

Selection Committee  
Candidate Recommendation  
June 2017  
by Omar Recuero, Committee Chair

On May 29, 2017 The selection committee interviewed Randy Wiseman, candidate for FL Governor.

Mr Wiseman requested certification before the LPF convention. The process began, but was delayed due to the LPF convention. A thorough review of available resources was made by the Committee. This included social media, on-line media and personal contact. Mr Wiseman has begun to campaign around the state and this has given most of the members of the committee a chance to meet with him and his campaign staff.

The committee finds that Mr. Wiseman has a great campaign with a good support staff. His support staff includes legal aide, which is very important. The committee explored the viability of Mr Wiseman's campaign, how his campaign can help the party and if the message was in line with our platform. In conclusion, The committee found everything about Mr. Wiseman to be in order and voted in favor to recommend his campaign for certification to the Executive Committee.

We look forward to the success his campaign will bring to the party now and through the election season of 2018.

The Selection committee is a constitutional committee of the LPF that consists of a maximum of 5 members.

The current members of the committee are as follows: Omar Recuero (Chair), Philippe Cadorette (ranking), Philippe Neptune, Rich Molek, Greg Peele.

The committee meets on an ongoing basis on Slack. We additionally hold meetings called for by the Chair and also to formally interview a prospective candidate.
