

The Cambrian Endowment Scholarship:

Throughout the history of life on earth, the Cambrian period stands as one of the most intense bursts of evolution and was responsible for much of the biodiversity that we see on our planet today. Every year that students graduate, similar bursts of potential occur as students evolve and diversify into many disciplines that enrich and advance society and care for the environment. In that spirit, The Cambrian Endowment is dedicated to supporting academic development in the sciences, technology, engineering, arts, and mathematics (STEAM) disciplines. This year, up to three (\$1,000) scholarships will be awarded. Winners will be announced on Senior Awards Night. To qualify, a student must:

- Be a graduating senior from the Zoo Magnet Program
- Have financial need
- Enroll into a four-year institution the following fall.
- Declare a major in the STEAM disciplines at the university or college of attendance
- Provide answers to the short essay prompts provided below

Please type your answers in 10-point, Arial font

Basic Information

First Name: Last Name:

Address: City:

State: Zip Code: Phone:

Cumulative GPA:

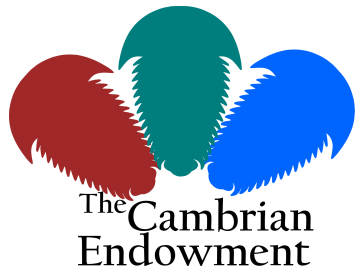

University: Major(s):

Extracurricular Activities

Please provide the following information about your extracurricular activities throughout high school. This does not need to be a traditional extracurricular activity. It could be a family activity, personal community service, a personal hobby, etc. Most importantly it must have contributed to your development as an individual. If none existed for any given year, also feel free to write "nothing for that year"

FRESHMAN

| Name of activity | Dates of involvement | Tell us about the activity and why it meant so much to you. |
|------------------|----------------------|---|
| | | |

Sophomore

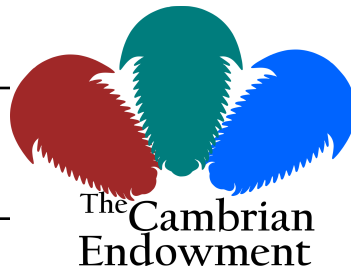

| Name of activity | Dates of involvement | Tell us about the activity and why it meant so much to you. |
|------------------|----------------------|---|
| | | |

Junior

| Name of activity | Dates of involvement | Tell us about the activity and why it meant so much to you. |
|------------------|----------------------|---|
| | | |

Senior

| Name of activity | Dates of involvement | Tell us about the activity and why it meant so much to you. |
|------------------|----------------------|---|
| | | |

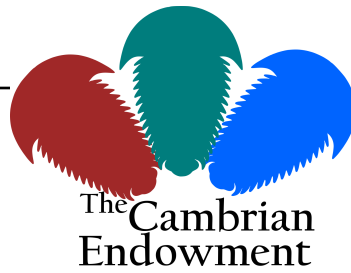

Personal Statements

Please answer the following questions as candidly as possible. There are no right or wrong answers! Be descriptive and be you!

1. Why did you choose your major? What are your current career aspirations

2. Please describe a significant challenge in your life and how you are overcoming this challenge?

3. Describe what lasting impression (if any) this challenge will have on your career or life choices?

4. Describe your strengths and qualities that have contributed to your current success as a scholar.

5. As you prepare for a new chapter in your life, what would you like the world to know about you?

Thank you for telling us about yourself! Please submit completed applications by May 20th. Applications should be emailed to: cambrian-scholarship@outlook.com
