

Hello 2021 Senior Student Families!

The planning committee is hard at work ensuring a safe, celebration for our seniors. We will be having an afternoon carnival on the grounds at Westview. Activities that will include physical and fun challenges(think obstacle course and Velcro wall), music (not ours...theirs), games, a photo booth and more. Lots of food to suit all tastes and dietary needs. The planned date will be **June 13th**, the day of graduation, in the afternoon from 5-9pm.

Our Seniors have moved through their Junior and Senior year with grace, understanding and patience. To reward this we've decided that the full cost of the event will be covered by fundraising efforts. We want every Senior to be able to attend without worry about the cost of participation. They deserve a day of fun, relaxation and celebration and we, working together, can give this to them.

Each year this committee raises funds throughout the year to help offset the costs to the students for this celebration. This fundraising, along with ticket sales, covers the cost of the event. We have the same financial needs but the way we raise funds has evolved. With limited options to fundraise and no ticket sales to offset the over-all costs...we need the help of this community more than ever. We also were informed that an expected benefactor to our celebration does not have funds available to gift for 2021.

You will need to register your student to attend for free on this website. ***The free registration will be open April 7th through the 30th***. Once you are in the registration area you have the chance to donate to this fun day for our Seniors. A nominal amount is suggested but you will have the opportunity to donate as much as you'd like. We are asking for a donation of \$20 per Senior, and an additional \$20 to cover that family that may not be able to give the suggested donation. All additional donations will be used toward increasing the fun and games at the event. If you have family that would like to help ensure this celebration is all it can be, you can forward [this link](#) to friends and family to allow them to donate as well. All donations, of any size, are greatly appreciated.

Please register during this time as those who register after May 1 will need to pay a nominal fee to cover late changes to the plans.
