X_Man1109's Factorio Mod License

This software is provided without any warranty. The software author/license owner cannot be held responsible for damages.

1. Distribution

Mods under this License are **only** allowed to be distributed on the Factorio [Mod Portal](#) or [GitHub](#). **Distribution on other 3rd party websites is not allowed.**

2. Commercial use

Commercial use, without the written consent of the software authors/license owner, is not allowed. Commercial use includes generated ad revenue from other 3rd party websites, as listed in 1.

3. Modification

Modification and distribution of the mod/assets, outside of private, non-commercial use, is not allowed.

If you want to help the mod's development, create an issue on [GitHub](#) or support further development by becoming a [Patron](#).

If the mod is marked as deprecated, you are allowed to publish a fork of the mod and make modifications while providing credit to the mod's original authors.
