

COMMISSIONS TERMS OF SERVICE. PLEASE READ BEFORE ORDERING!

Hi there! Thanks for being interested in getting a commission! I really appreciate it! Please, before ordering a commission, **I ask you to read the following terms.** By ordering a commission, you automatically agree to these terms:

- The turnaround time for commissions **is from 4 to 8 weeks, starting after your payment is confirmed.** If you're in a hurry, please let me know so we can arrange something..
- There will be 3 slots only, first come first serve.
- The prices listed are per character. If you'd like me to add a small companion (animal, pokémon, objects and etc) please let me know and we can work out a price tag depending on the complexity;
- The listed prices are for personal commissions only, meaning **the art cannot be used for commercial purposes.** For commercial projects, feel free to contact me and we can work it out :)
- Under NO CIRCUMSTANCE should the final artwork be used for any type of AI feeding or generation purposes.

- I can only draw in the style provided on my samples or in any of my body of work. Please do not ask me to mimic or copy another artist's style.
- All depicted characters must be of age (+18)
- It is important that your references and descriptions are accurate to what you wish the final product to look like.
- You will be given an approval sketch at first. At this time, please let me know if there are any changes you'd like me to make. You are allowed a **maximum of 2 changes on the sketch phase**. After this stage, no changes will be made (unless they're minor) without additional charges.
- Unless your order exceeds 350USD, payment is upfront. If your order is greater than 350USD, a payment plan of 50% upfront and 50% upon delivery can be arranged;
- Please note that very detailed characters and backgrounds may increase the prices.
- If you'd like to inquire about a different type of commission from the ones that are listed, feel free to shoot me an email (thedamnthinguy@gmail.com) and we can work something out!

- Unfortunately at this time I can't take furry commissions since I'm not confident enough on my skill level to draw animals. However, anthro/minor animal features (tails, ears, fangs, etc) are totally fine!

- NSFW is ok, but quotes are slightly different. If you'd like to inquire about this type of commission, please email me on thedamnthinguy@gmail.com

- Feel free to email me at any time for updates on your commission or if you have any questions. I try to be very open and communicative with commissioners, so please don't hesitate!
