

DONCASTER Toll Bar 2022 AGM

Good evening,

I would like to welcome you all to the 2022 AGM.
what a challenge these last few years have been.

I've got to start by thanking all the committee coaches and volunteers for helping us through these difficult years without your help and dedication we wouldn't be in the great position we are in today.

A lot of hard work has gone on from our dedicated committee members behind the scenes to have the great facilities we have today.

One very noticeable thing being the obstacle course which we hope all age groups will make good use of.
You will also see new lighting being installed which will help greatly with winter training this year, so we don't have to all huddle under the same lights.

We are currently improving our outside area, installing an outside bar and more seating to accommodate our ever-growing teams.

Our club has come out of the pandemic a lot stronger and in the best position to continue to push forward.

I'm amazed how many coaches we have who all have one focus and that's to teach our kids to be the best young player/person they can be.

So Thankyou to each and every one of you.

DONCASTER Toll Bar 2022 AGM

The number of volunteers we need in each team is a lot to ask.

But every team's volunteers have bought into their team and work hard to make things happen.

Thank you to all volunteers.

We as a club have got a fantastic reputation and the feedback, we have from other clubs is exactly what we want to promote here at toll bar.

So please lets all work hard to keep this going and challenge anyone who goes against our values or see a committee member.

We strive to offer our kids as many opportunities as possible to create lasting memories
so to send three coaches full to Tottenham last week was a huge achievement for us.

Just a bit of housekeeping to do

A few things have been creeping in, there seems to be a lot of bad language being used around our kids, so can we all be mindful of that and keep it to a minimum. We need to respect our facilities and what we have built together. So no boots in the clubhouse, put your rubbish in the bins tidy after your teams in the changing rooms.

Please remember that this is your club and what we do here has a long-lasting effect on our kids.

DONCASTER Toll Bar 2022 AGM

Can we all ensure we are paying our subs every month by direct debit. This ensures all club bills can be paid on time and keep our club running smoothly. Late or unpaid subs impact hugely on us all and the decision was made that if two months or more are unpaid the player will not be eligible for selection to play.

So, let's keep up the fantastic work everyone is doing. We have a lot of things to look forward to as a family orientated club.

Our next big thing is the master's Yorkshire festival on 9th July. We are hoping all age groups can come along and support the masters.

Either by supporting the team on the day or by volunteering to help out on the day (please see Louise if you are interested in helping out).

We are hopefully looking at around 600 people attending on the day so its going to be very busy so all help will be very much appreciated.

If you have any fundraising or event ideas don't hesitate to approach either myself or any committee member.

The future of our club looks bright so let's keep raising the bar!!!!

THANKYOU
